Dave's side of island

2.50 Top of rod to top of cabinet

44.20 Top of shelf to top of rod

2.89 Bottom of shelf to top of rod

44.60 Top of rod to floor of cabinet

Note that this cabinet is 28" deep, and the one behind it is 24" deep, so the centers will be offset to her side so face of wardrobe cabinet lines up with face of drawer cabinet

Daves side of closet, wardrobe cabinets

The back to this cabinet slides to left behind adjacent cabinet to reveal cubby for safe. Clear opening should be 27", with 1" of door protruding into opening to help shut it. The fact that this back slides should not be readily evident. Maintain 26" clear depth or more in both cabinets. Safe will be in before installatio of cabinetry. Trim safe to walls for finished look.
