# Ondine Residential Warranty

---

ONDINE provides the following warranties on its products to the original consumer purchaser, installed in residential applications. This warranty is effective for all products purchased after January 1, 2001.

**Mechanical Warranty:** A limited Lifetime Warranty is provided on all mechanical parts. ONDINE warrants all mechanical parts to be free from manufacturing defects in material and workmanship under normal use for as long as the original consumer purchaser owns the part.

**Finish Warranty:** A limited Lifetime Warranty is provided on all ONDINE product finishes to the original consumer purchaser against manufacturing defects in material and workmanship.

**Electrical Components Warranty:** A one-year Limited Warranty is provided on all electrical components to the original consumer purchaser against manufacturing defects in material and workmanship.

At its discretion, ONDINE will repair or replace any part that proves to be defective in material and/or workmanship under normal installation, use and service.

This warranty is extended to the original consumer purchaser and does not cover installation or any other labor charges and shall not apply to any products or any parts of products which have been:

1. Repaired by an unqualified person, or repaired not using original ONDINE replacement parts, or altered in any manner not previously authorized in writing by ONDINE; or,
2. Damaged as a result of misuse, negligence, accident or faulty installation or maintenance; or,
3. Installed or used in a manner contrary to ONDINE's written instructions; or,
4. Damaged by the effects of dirt, hard water deposits, marine climate or through the use of inappropriate cleansers.

ONDINE does not make any other warranty of any kind. This warranty excludes all industrial, commercial or business usage. See Commercial Products Warranty for details.

## **ONDINE Commercial Products Warranty**

ONDINE warrants its products installed in commercial applications to be free from manufacturing defects for a period of 5-years from the purchase date by the original owner.

All other terms and limits of the Residential Product Warranty apply.

To obtain warranty repair or replacement, the faulty part must be sent with the proof of purchase (original sales receipts) from the original consumer purchaser to:

Call 800-423-9485 toll-free for quick assistance with any installation, parts or service needs.
